**AMBROISE**

**Aries** is made exclusively with pinot noir of Burgundy's vineyards. I selected and blended for you a selection of different appellations "village" which create a new harmony around Burgundy.

You will find, inside the bottle, wines for village like Nuits-Saint-Georges, Morey-Saint-Denis, Pernand-Vergelesses, Volnay, Pommard... in a different percentage each other.

Different origins each bring their peculiarity: the fruits, the body, the finesses and a higher power to a single burgundy appellation. The raising at 50% in new barrels sublimates aromas.

This wine is bottled in an elegant bottle with a specific label, that differentiates her from the rest of our range.

You will find in **Aries**, the strength, the elegance and the generosity of the astrological sign **Aries**, that you've guessed, it's mine.

**Tasting note:** The wine can be drink quickly, with roasted meat or strong cheese like Epoisses.

**Temperature of service:** 13-15°C
